### GRAND KNIGHT'S COLUMN

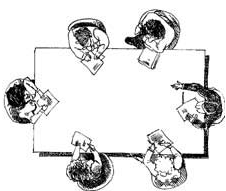

The year is really flying by. It seems like just a couple of weeks ago that we got a foot of snow in one day. (Oh I forgot...it was only a couple of weeks ago!) I hope that you have all gotten to take some time to enjoy the beautiful spring weather that we've had recently.

We just got finished with our council's annual Appreciation dinner. I'd like to extend special congratulations to the 2004 Knight of the Year Bill Bartelme, the 2004 Family of the Year Jim & Marilyn Barnett, and the 2004 Distinguished Service Award winner Rick Noe. These individuals are role models of service for all of us!

Speaking of beautiful spring weather, the week-end of April 16th and 17th is the perfect time to get out and enjoy the weather and help the council by participating in the TOOTSIE ROLL CAMPAIGN. We always prefer that you sign up in advance, but in case you didn't get this newsletter in time, please feel free to stop by Wal-Mart or East Towne Mall and give one of your brother knights a break. It's fun to do, and it's a worthwhile cause.

Fraternally,  
John Murphy

P.S. - In case you've been holding your State Charity Raffle tickets until the last minute, now is the time to get them to Leon Janowski.

## ONE A WEEK BLOOD DONER CLUB

Please pass along my sincere appreciation and gratitude to all of your members and their families who took part in our joint blood program this past year. It was through their combined effort that we able to surpass our challenge of 52 donations, which represents one pint per week for the year. I'm very proud to inform you that when the final reports were issued, we donated a total of 150 pints of blood in the name of the Knights of Columbus. That total represents a 63% increase over last year's donations and has set a new record and a new goal for us to break this year. Is a total of 200 within our reach? With the combined effort of all 5 Councils in District 13 and the help from their families, I feel confident that we will do it. This program exemplifies true Knighthood; where we quietly go about doing God's work one member at a time. Please accept my sincere thanks and gratitude for each of you who took the time to make the many donations you did. Your unselfish generosity is truly appreciated.

This program is important in many ways. The most obvious is for the gift of blood, which turns into the gift of life for many. This is a real way that we as Knights help the broader based community in which we live. As we give blood in the name of the Knights of Columbus, we exercise that virtue of unity that we learned about when we advanced through Knighthood to the second degree. If you think about it, this is the one program that unifies the five councils within our district. This is the one activiSince March is National Red Cross Month, it is time to renew our challenge to make this program even t more successful. Please remind your members to give blood when you have your monthly meetings and ty we do jointly where all of our results are tracked as one.in your newsletters. Also remind them to record their donation under the Knights of Columbus tab in the donation record book. Please do all that you can to make this an active program in your Councils. Thank you and may God bless you all.
