GRAND KNIGHT'S COLUMN

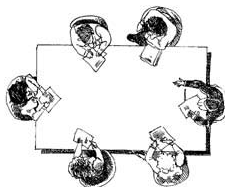

The time is flying by! It's hard to believe that Thanksgiving is near and Christmas will be here before we know it. During this time we have a lot of family commitments, but don't forget to take some time to help those in need.

Coming up on November 19th and 20th we have our second Booyah of the fraternal year. This is the opening weekend of hunting, so if you don't hunt we'll definitely need your help. If you are a hunter, maybe you can come in from the woods for an hour or two to help us cut vegetables on Saturday morning.

Also coming up in December, the Council will be ringing bells for the Salvation Army. We are scheduled for Friday, December 16th and Saturday, December 17th at the new Copps Food Center in Bellevue (by the new Target).

Lastly, the State Charity Raffle Tickets have been mailed. Our goal is to sell 10 tickets per member and, honestly gentlemen, there's no reason we can't make it if everyone would at least sell the 7 or 8 tickets they've received in the mail. We missed our goal last year and I don't want it to happen again. No one else is going to sell the tickets... only you can.

*Fraternally,
John Murphy*

Made-for-TV movie about Pope John Paul II might get Golden Globe

By Carol Glatz
Catholic News Service

ROME (CNS) -- The made-for-TV movie, "A Man Who Became Pope," may get a Golden Globe nomination, said the film's Italian producer, Pietro Valsecchi.

The movie and television awards, run by the Hollywood Foreign Press Association, will be presented Jan. 16 with the nominations announced Dec. 13.

Valsecchi told Catholic News Service he heard hints that his movie about the early life of the late Pope John Paul II may have a chance at a Golden Globe nomination.

Even though a nomination "would be a miracle," it would also reflect the great success the film had in Poland, Italy and the United States, he said.

Stewardship of Service Weekend

The council participated in the St Bernard Stewardship of Service weekend on October 29th and 30th. Thanks to everyone that helped get the word out about the wonderful things our council is doing.

For Brother Knights, by Brother Knights

We all know and appreciate the good work the Knights of Columbus does for the Church and charitable causes. But did you know that our insurance program is an essential part of the Order, and has been from the very beginning.

Protecting families from economic adversity has been a key part of the Knights of Columbus mission since its founding in 1882. Our founders "passed the hat" to support the widows and children of brother Knights who had died. We've grown into one of the largest individual life insurers in North America - with more than \$50 billion of individual life insurance in force.

Moreover, contrary to some misconceptions, our insurance program is not directed in any way by a "separate company" and never has been. Our insurance is available exclusively to members, their wives, and their dependent children. All field agents - including me - are themselves brother Knights. We all work full-time for the Order, serving the needs of you and your family and answering your questions.

In this day and age, personal attention has become rare, but in the Knights of Columbus, we specialize in it. In fact, it's our job to get to know you and your family, and to make ourselves available to you for assistance. We are different from other insurers - and that difference greatly benefits our members. Give me a call to find out more about how the Knights of Columbus has been "Making a Difference for Life" for 123 years.

Raffle Tickets

The raffle tickets have been sent to every council member. Our goal is to sell 10 tickets per member. In order to do this, we need everyone to sell at least the tickets we sent them. If you need more tickets they are available.

All Soul's Mass

At the All Soul's mass, Grand Knight John Murphy read the names of the members of St. Bernard Parish that have passed away in the past year while candles were lit in their memory. The council sponsored a small social after the mass. The gesture was greatly appreciated by all.

Charity Requests

We have two charity requests this month. The St. Bernard Social Concerns committee is in need of \$200 to purchase Thanksgiving turkeys, The committee prepares and delivers food baskets to families in need at Thanksgiving. We have supported this effort in past years.

The second request is for a \$300 donation to Salvation Army in the memory of Dan McLaughlin. Dan is a past member of our council (Deceased.) When Dan was with the council he was very active in support of the Salvation Army. We have continued to support the Salvation Army in memorial to Dan for many years now.

Keep Christ in Christmas

'Tis the season to put up your "Keep Christ in Christmas" yard signs. If you need one, they will be available at the November meeting or Christmas Social. A donation of \$5 would be appreciated.

Booyah Sale

The Booyah sale in October was very successful. Despite a 50% increase in the price of chicken, we had the highest gross sales recorded. We also had our highest net profit for a Booyah. A grateful thank you goes to all of the Knights that helped cutting vegeta-

bles on Saturday morning and the booyah sales on Sunday morning. The event is truly a joy when we have the many hands that participated in October.

We have our next booyah on November 19th and 20th. This is opening weekend of deer season so many of our regular volunteers may not be available. If your not a hunter and you can help on this weekend it would be a great time to participate. Thanks again to everyone who helped prepare, serve or purchase the booyah.

Annual Christmas Social

The council will once again host a Christmas Social on Monday, December 12th. We will start at 7:15 with the Rosary and a quick meeting, the social will follow at about 7:45 .

Wives and significant others are welcome. If you are able to bring a dish to pass, please;

Thanksgiving Proclamation A Day of Public Thanksgiving and Prayer The Year of 1798

"Whereas it is the duty of all nations to acknowledge the providence of Almighty God, to obey His will, to be grateful for His benefits, and humbly implore His protection and favor-- and Whereas both Houses of Congress have by their joint committee requested me to recommend to the people of the United States a day of public thanksgiving and prayer, to be observed by acknowledging with grateful hearts the many signal favors of Almighty God, especially in a form of government for their safety and happiness. "Now, therefore, I do recommend and assign Thursday...to be devoted by the people of these states to the service of that great and glorious Being Who is the beneficent Author of all that was, that is, or that will be--that we may then all unite in rendering Him our sincere and humble thanks... "And also that we may then unite in most humbly offering our prayers and supplications to the great Lord and Ruler of nations, and beseech Him to pardon our national and other transgressions...to render our national Government a blessing to the people...to protect and guide all sovereigns and nations...and to bless them with good government, peace and concord. To promote the knowledge and practice of true knowledge and virtue, and the increase of science among them and us--and generally to grant unto all mankind such a degree of prosperity as He alone knows to be best..."
--President George Washington, 1798
