IN SERVICE TO ONE. IN SERVICE TO ALL.

### GRAND KNIGHT'S COLUMN

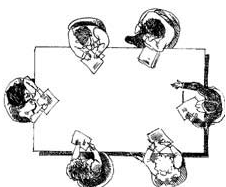

January was a fairly light month from an activity standpoint, but we still accomplished a lot of good things. We started off with the annual Free Throw and Knowledge contest for the youth of east Green Bay. We had about 15 participants, and everyone had a great time. Several of the young people will be advancing to the district and diocesan level of competition in February and March. Thanks to everyone that helped make this event a success.

At the January meeting we distributed over \$1,700 to charitable causes, including \$500 to Doug Dvorak who was seriously injured while aiding a stranded vehicle on Highway 43. We have also submitted requests for additional support to 17 area councils and to the state charity fund. Please see the note later in the newsletter if you'd like to contribute personally.

Finally, I'd like to remind everyone to continue selling State Charity Raffle Tickets. We are on track to meet our goal of 10 tickets per member, but I don't want to lose focus. Tickets need to be in by April 17th, but now is the time to sell them, don't wait until the last minute!

Fraternally,  
John Murphy

### Beneficials...Who Do You Love?

Valentines Day was February 14. Are you certain that the one you love is the beneficiary on your life insurance policy? It would be a wise idea to find out - and update your beneficiary if necessary. As your Knights of Columbus agent, I can help you do that.

Why is this important? A life insurance policy protects the financial status of another person - or people - in the event of your death. Through a beneficiary designation, you determine who that should be.

With a Knights of Columbus insurance policy, you select both a primary beneficiary and, if you choose, a contingent, or secondary, beneficiary. It's always a good idea to select a contingent beneficiary in case you outlive your primary beneficiary. A contingent beneficiary is the person designated to receive life insurance policy if the primary beneficiary dies.

You should be as specific as possible in wording your beneficiary designation. By naming your wife, daughter, son, etc., as beneficiary, you make sure that the life insurance proceeds will be available to them in a timely manner.

Your life situation will undoubtedly change over time. Plan to update your beneficiary designations periodically. This will ensure that your life insurance coverage will protect those you want it to protect.

Changing your beneficiary is a simple process. Simply complete a change of beneficiary form (#113A) for each policy you want to change.

## beneficiaries continued..

I can provide you with those forms - and I will help you to fill them out. I can also help you with beneficiary designations for any life insurance policy you hold - regardless of the company that issued it.

Give me a call. I'll be happy to help.

## Support the Good Samaritan

On the morning of November 28th, Doug Dvorak of Green Bay stopped at the scene of an accident on I-43 near Bellevue to aid another man and his two young children. While returning to his own car after helping the other family, Doug was hit by an oncoming car. He spent a month in a coma, and is currently recovering from severe head injuries, and arms and legs broken in several places. His condition has improved greatly, but he faces a long road to recovery. In addition to the physical and emotional struggles, his family faces the financial difficulties that come with high medical costs.

Doug is the son-in-law of a member of Council 10243, and we have taken on the cause of helping him just as he chose to help others. We believe that he exemplified the principles of our order while acting as a Good Samaritan.

Any donations for the family of Doug Dvorak can be sent to Knights of Columbus Council 10243 care of:

**Jim Barnett**  
**2735 Little Edelweiss**  
**Green Bay, WI 54302**

## Pancake and Porkie Breakfast..

A great time was had by all at the annual Pancake & Porkie breakfast on February 12th. Thanks to the efforts of the many volunteers, \$580.78 was raised for St. Bernard Tuition Assistance.

Special thanks to Mike Worzala and Dan Barrington for their efforts in making this event such a great success!

## COTS

The Next Step, a nonprofit Green Bay social justice organization formed over 15 years ago by Lou and Katrina O'Malley, has started a new emergency overnight shelter in Green Bay called COTS. The Shelter is located in the gym of the former St. John the Evangelist School, 411 St. John Street. Homeless men, women and children are sheltered every day, 6 pm - 7am. COTS invites volunteers to serve alongside its staff while the shelter is open. COTS also welcomes donations of coffee, juice, fresh fruit, games, books for light reading, playing cards, cleaning supplies, and monetary contributions.

The council will be voting on a monetary contribution in February, but members are encouraged to make material donations. They can be dropped off at COTS, 6 pm-10 pm.

## Parish Priest

Father Michael McGivney and American Catholicism, a new biography on the Order's founder, is now available online. Written by best-selling author Douglas Brinkley and Julie M. Fenster, the book is a fascinating account of Father McGivney's world and the people who influenced him and came to know his greatness.
