GRAND KNIGHTS COLUMN

We begin a new fiscal year as of July 1. Just like we do at the beginning of the calendar year, we can look back upon the events of the previous twelve months and look forward to the future and the exciting opportunities that lie ahead.

Last year, we lost some members whose memory will not be forgotten, their years of service to country, community, Parish and to our Council. We look ahead to embrace new members who will help carry on the legacy

Last year, Council members provided many hours of charitable work in helping others less fortunate, raising funds for those in need and service projects and activities for children. We look ahead to continuing these efforts to bring a smile to others and let them know they truly are part of our Christian family.

Take some time and reflect on your contributions in the past and how you plan to be involved this next year.

Fraternally,
Dan Barrington, Grand Knight

SUPREME KNIGHT, BOARD URGE SUPPORT FOR 'BELLA'

Knight Carl A. Anderson, with the backing of the Order's Board of Directors, is recommending that Knights support Bella, a major motion picture to be released this summer.

Bella, whose star and producers are Knights, won the Toronto Film Festival's People's Choice Award.

"If we can get millions of people to see this film, we are going to save lives," Anderson said. "We can get people to understand what we mean when we talk about a culture of life, or what it means to live a Catholic life. Our support of this movie can be the start of something great.

Bella was produced by Knights Leo Severino and Sean Wolfington, and stars Knight Eduardo Verastegui. Verastegui and Wolfington took their First Degree in New Haven at the June State Deputies meeting.

The state deputies and their wives also enjoyed a premiere showing of Bella.

The movie tells the story of Jose (Verástegui), who gives up his career as a soccer superstar after a tragic incident. He goes to work in his brother's restaurant, where he befriends a pregnant waitress and begins to resolve some of the pain he stills feel about the life-changing accident.

A former telenovela (soap opera) star in his native Mexico, Verástegui abandoned his burgeoning Hollywood career to start a new film company to produce movies with a moral message.

After the screening, Verástegui spoke briefly to the Knights. He described his character as a "man who wants to live a life of integrity and sacrifice everything" for family and others. The film does this by portraying Latinos and family life in a favorable light

ELECTIONS

At our meeting in June, elections were held and the previous slate of officers will stand for another one-year term, the exception of Trustee for 3 Year Congratulations to Greg Layton who has been elected to fill this position.

A NEW FRATERNAL YEAR

A new fraternal year is upon us. Congratulations to the newly elected and appointed council leaders. I'm sure you have a list of things that you want to accomplish during the coming year. I'm eager to help.

One of these goals is likely the attainment of the Star Council award - the most prestigious award the Order offers at the council level. I'm certainly committed to helping on the insurance side, but I'll be glad to help on the membership side as well.

If you know an eligible Catholic man who might be interested in joining the Order (and who among us doesn't), he's probably just waiting to be asked. I can help you, either by approaching him myself, or by "coaching" you - transferring sales skills that you can use to recruit him and other prospects. As always, I'm at your service.

What would be helpful to all of us would be an early start on those goals, rather than waiting until May or June. Let's get an early start on award season this year .

Patriotism

ONE NATION "UNDER GOD"

Did you know that it was the Knight's of Columbus who encouraged Congress to add the words "under God" to the Pledge of Allegiance? It's true! Prior to 1954 these words were not included in the Pledge as we recite it today. The Knights of Columbus launched a nationwide campaign and was successful in getting Congress approval to the inclusion of the phrase.

There are many other interesting tidbits you can learn about the Knights. Come to our meeting and learn more. Last year we were treated to many fascinating and enlightening presentations from our Lecturer Tom Koene. He assures me there is more that he has in store.
